**EVERY DAY/WEEK:**

Spend time every night, or at least on Sundays, thinking about what you did that day or week. Try to do something EVERY day to use the gifts you have been given for the good of others.

Look around. Do you see something that needs done or someone that needs help? What can you do?

Think about the Greatest Commandment - Mark 12: 28-31

*"Of all the commandments, which is the most important?"*

*"The most important one," answered Jesus, "is this: '… Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength.' The second is this: 'Love your neighbor as yourself.' There is no commandment greater than these."*

Think about the Works of Mercy. The key principle is to **see Christ in every person** and respond with love and compassion.

Help or Pray. Every day.
